

# ANNUAL LAW DAY LUNCHEON

May 1, 2019 - 11:45 a.m.

LAW ★ DAY  
2019

In the United States and around the world, freedom of speech and the press are among the most important foundations for a free society. Free speech and free press are prominent topics in public discourse and litigation. It is impossible to imagine a free society without these individual liberties, yet historical and current debates surrounding them continually challenge us to consider their boundaries and resilience.

**Mike Faust, host of WEEU's popular "Feedback" show** will be our special guest speaker at the luncheon. Mike will be sharing his perspective on freedom of the press and how he encourages residents of Berks County and beyond to exercise free speech every day.

Also at this luncheon program, the Howard Fox Memorial Law Scholarship will be presented, and the winners of the annual Law Day essay contest and of the annual Berks County interscholastic mock trial competition will be recognized.
